More information about Cookies

A cookie is a piece of information in the form of a very small text file that is placed on an internet user's hard drive. It is generated by a web page server, which is basically the computer that operates a web site. The information the cookie contains is set by the server and it can be used by that server whenever the user visits the site.

By default, the cookie settings on daytranslations.com are set to 'allow all cookies' to give you the very best experience. If you continue without changing these settings, you consent this, otherwise you can change your settings to delete or disallow cookies. Please be informed though that deleting cookies can affect the way a website you visit serves pages to you, and so it may not be best to delete all cookies; hence daytranslations.com cannot be held responsible for repercussions from deleting your cookies.
